

KIT DEVEREAUX

BOARD OF SELECTMEN, INCUMBENT

A NOTE FROM KIT

It has been my honor to serve a two-year term on the Board of Selectmen. As well, I served on Town Council for eight years, on the Board of Finance for eight years, and on many of New Canaan's non-profit Boards, often in a leadership position.

My experience is in finance. My dedication to our community is deep. And my hope to continue serving is very strong. Although I am financially conservative, I believe it is crucial to preserve the top ratings of our schools; to protect our infrastructure; to preserve the historic character of our Town.

Most importantly, we need to remain hyper-vigilant when faced with new capital expenditures. I have worked to maintain a balanced, independent presence on the Board of Selectmen. I believe that my presence will be important as New Canaan moves through a challenging future. I ask respectfully for the opportunity to serve another term.
